THE OPENING CEREMONY AT FRIDAY

FIS World Cup Ruka Nordic Opening 25th – 27th of November 2005

Ruka Nordic Opening ceremony is at Friday, starting 17:50 at the stadium area. The program is top secret, there might be a visit of Santa Clause, and a speech from the prestigious organiser and a firework. Also lots of other program will be provided.

At 20.20 there will be an amazing show, the downhill riders are coming down from the ski jump hill. Afterwards there will be some program at the main tent. There is lots of program, and a very good DJ, the one and only Lee Roth.

DJ Lee Roth has been playing music for few years, and his biggest experience is from Tykkimäen Sambafestivals, and he is playing all kind of music.

- A good DJ has to overcome all the obstacles, and play all kind of music, but I doubt, that we are not hearing any Eddie Edwards these year, he said.

A big fan of ski jumping is looking forward to see Adam Malysz...and live!
